

## 2020-2021 TVCC Terms and Conditions of Financial Aid Offers

### 1. Acceptance:

Please review your financial aid offer carefully. You may accept or decline any portion of your offer(s) by using our online system [Net Partner](#). Please indicate if you will not be attending Treasure Valley Community College.

### 2. General Conditions of this Offer:

- You must be enrolled in an eligible course of study. An eligible course of study is at least one academic year (9 months) in length and leads to a certificate or degree.
- You may not use federal financial aid for completing your high school diploma or GED, self-improvement course work, or the Certified Nursing Assistant Program.
- This offer is contingent upon the availability and actual receipt of funds by Treasure Valley Community College.
- A "Revised Offer" replaces all prior offers of financial aid. Your offer may be adjusted, cancelled or revoked during the year due to but not limited to: inadequate institutional, state or federal funding, changes in your enrollment status, failure to notify the Financial Aid Office of your acceptance as indicated above, or receipt of any additional information which affects or negates your eligibility.
- Grant, Work Study, Scholarship, Activity Offer and Tuition Waiver funds **do not** have to be repaid upon completion of your program. Any offer that includes the term "loan" must be repaid.
- All offers of campus based funds (Work Study and SEOG) will be revoked if you fail to notify the Financial Aid Office of your acceptance as indicated above within 30 days of this offer and/or you fail to register for classes by the end of the 2<sup>nd</sup> week of each term in which a campus based fund is offered.

### 3. Payment of Financial Aid:

All financial aid funds will be disbursed to your student account according to Federal regulations and guidelines [www.studentloans.gov](http://www.studentloans.gov). \*\*\*Financial aid funds are disbursed to your student account only after your class participation has been confirmed for each quarter by your instructors.

- Disbursements: occur on student accounts on the *second (2<sup>nd</sup>) Thursday* of each quarter for students meeting ALL disbursement requirements.

- Financial Aid Refunds (if applicable): made available by the TVCC Business Office on the *third (3<sup>rd</sup>) Tuesday* of each quarter. All institutional charges appear as debits on your student account statement and your financial aid offers will appear as credits to offset any outstanding balances owed to the college.

### 4. Scholarships and Activity Offers:

The Financial Aid Office records all sources of aid in addition to Federal financial aid but is not responsible for offering or revoking these funds. Any questions regarding a scholarship, activity offers, or tuition waiver should be directed to the agency or department from which the offer was made.

### 5. Repayment of Unearned Financial Aid Funds:

Students who withdraw (officially or unofficially), fail to complete, or simply stop attending any or all of their classes during the first 60 percent of a term may be required to repay a portion of the financial aid received for that quarter. Refunds and repayments are based upon the percentage of the term completed at the time of withdrawal. You are responsible for and agree to pay back any and all overpayment of funds.

### 6. Standards of Academic Progress:

All students are required to meet TVCC's "Financial Aid & Veteran's Affairs Standards of Academic Progress" in order to receive and maintain eligibility for financial aid funds. Students must meet all standards – General, GPA, Completion Rate and Maximum Credit Hour Requirements – in order to initially be eligible for and to maintain eligibility for financial aid funding. The standards of eligibility for some scholarships or offers may differ as defined by the agency or department from which the offer was made.
