## How to Enable Flash on Google Chrome

1. When you log into Webassign and you see this message, follow these steps to enable Flash.

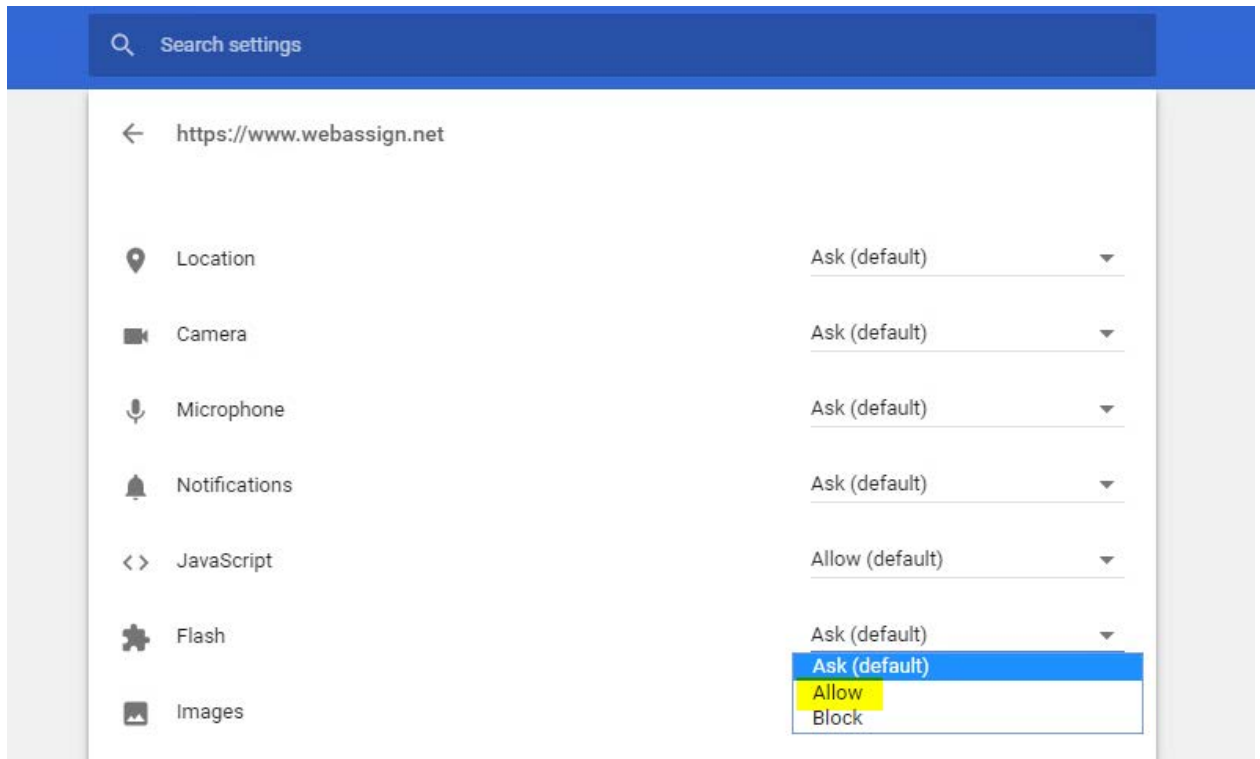

2. Click on the "Lock" icon next to the web address

3. Click on "Site Settings"

4. Flash by default is set to "Ask" to allow. From the dropdown menu select "Allow"

5. Close the "Settings" window
6. Click "Reload"

7. Once the page reloads you should be able to view your e-book and assignments.
